Industrial Action

Dear Parent/Guardian

As you will be aware the National Education Union (NEU) and NAHT have voted to take industrial action regarding teachers' pay and conditions and the fair funding of schools. This is along with strike action that is taking place across many other areas of the public sector.

The second day of industrial action is to take place on **Tuesday February 14th, 2023**

Following discussion with cluster schools and conducting a full risk assessment, the current decision has been made to **CLOSE** the following classes

Mrs Cross – Nursery
Mr Jones – Year 4/5
Miss Warren – Year 6

All other classes will remain open however there will be no after school clubs on Tuesday 14th February.

Should there be any changes to any of the above information then I will contact you by text. Confirmation of class closures for the above classes will also be sent via text message the day before any possible action.

Whilst we appreciate the action is disruptive to parents and carers, I hope that by giving you advance notice you will be able to make the necessary alternative arrangements for your children.

Many thanks for your understanding

Mr. A. Lewis
Headteacher
